# Curriculum Map Lower Key Stage 2 Spring 2

## Message from the teachers...

Welcome to our new curriculum map for Spring 2. This half term is full of learning opportunities; we will be learning about Lazio in Italy and identifying the physical features of the land using a scaled map, building a circuit to show the flow of electricity and producing art using cartoon figures following the work of Keith Haring.

## Our School Values

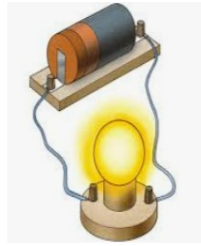

## Dates for your diary

- |                    |  |
|--------------------|--|
| Thursday 7th March | World Book Day.  |
| Friday 8th March   | Art Exhibition.  |
| Friday 22nd March  | Easter Egg Hunt and Easter Crafts with parents / carers. |
| Friday 22nd March  | Awards ceremony with parents.                            |
| Friday 22nd March  | Break up for half term.                                  |
| Tuesday 9th April  | Pupils back to school.                                   |

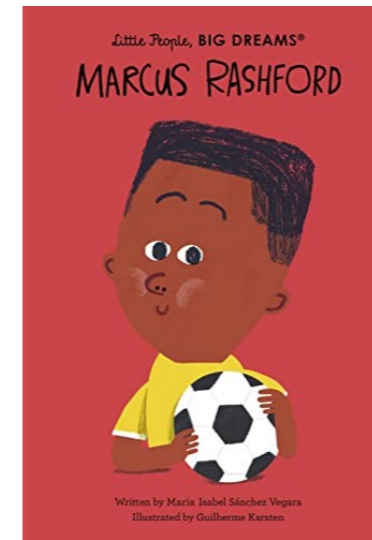

## In Science we will learn about...

- Electricity- the basic parts of an electrical circuit.
- switches and how a switch works in a circuit.
- the common conductors and insulators.
- circuits - how a circuit needs to be complete in order for all of the components to work.

## Books we will read include...

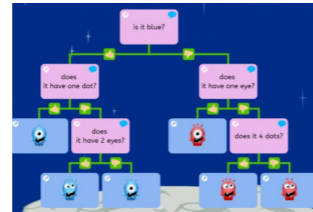

## In Music we will...

- listen and appraise various songs.
- play pulse, rhythm and pitch games.
- perform a songs.

## In Computing we will learn...

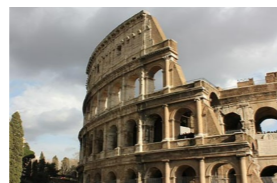

- how to create questions with yes/no answers.
- how identify the attributes needed to collect data about an object.
- how to create a branching database.
- how to explain why it is helpful for a database to be well structured.
- how to plan and make a dinosaur identifier.

# The wider curriculum

## In Geography we will learn...

- how be able to locate Italy on different scaled maps and identify features.
- about the climate of Italy.
- how to identify the physical features of Lazio.
- about the types of settlements and how the land is used in Lazio.
- how to compare Lazio and Yorkshire.

*We will be visiting our new school library each week.*

*Reading will be sent home weekly.*

*Read along with your child.*

## In Art we will...

### Pop Art- Keith Haring

- observe the work of Keith Haring and use their sketchbooks to copy elements of his work.
- learn how to draw a body in proportion.
- learn how to draw different body parts in the style of Keith Haring.
- sketch cartoons and make a sculpture in the style of Keith Haring.

## In PE we will ...

- have two lesson of PE each week-dance and tennis.
- In dance we learn a variety of dance moves including street dance. We will perform set patterns, link and develop movements and perform an end of term routine.
- In tennis we will develop racket and ball control, learn to rally using a forehand and backhand stroke, learn how to score a game and use simple rules when playing a game of tennis with a partner.
