Careers Week.

Bridgeview 50 experiences

Personal Care Essential

BRIDGEVIEW

Curriculum Map Upper Key Stage 2 Spring 2

Message from the teachers...

Welcome to our new curriculum map for Spring 2. This half term is full of learning opportunities; we will be map reading and finding our coastal areas, learning about different types of bridges and attempting to build a bridge out of recycled materials, and making a simple heart using a clear beaker filled with red food colouring to see how our circulatory system works. Look out for a letter about our school trip to the Mappleton and Hornsea.

Our School Values

Dates for your diary

26th – 28th February	PGL Trip Year 6.
Thursday 7th March	World Book Day.
Friday 8th March	Art Exhibition.
Friday 22nd March	Easter Egg Hunt and Easter Crafts with parents / carers.
Friday 22nd March	Awards ceremony with parents.
Friday 22nd March	Break up for half term.
Tuesday 9th April	Pupils back to school.

In Science we will learn about...

- the job of the heart and how the heart pumps blood in the blood vessels around to the lungs.
- the importance of blood and how oxygen is transported into the blood and carbon dioxide is removed.
- how nutrients, water and oxygen are transported in the blood to muscles and other parts of the body.

Books we will read include...

In Music we will...

- listen and appraise various songs.
- play pulse, rhythm and pitch games.
- perform a songs.

In Computing we will learn...

- how to use a form to create information.
- how to compare paper and computer databases.
- how records can be grouped, using both the paper record cards.
- how to develop their search techniques using tools that can select specific data.
- how to compare data visually using a chart.

The wider curriculum

In DT we will learn about...

- the five main types of bridges and their features.
- how to make structures stronger using different materials.
- bridge designs and be able to follow the design criteria to design their bridge.
- making a bridge and testing the final design.

In Geography we will learn...

- how to use grid references to locate coastal areas of the UK.
- how to use map symbols to identify the land use of coastal areas.
- about how coastlines have changed – A trip to Mableton.
- about coastal erosion the factors contributing to it.
- about how to protect our coastlines from erosion in the future.

We will be visiting our new school library each week.

Reading will be sent home weekly.

Read along with your child.

In PE we will ...

Have two lessons of PE each week – tennis and dodgeball

- At the start of the term we have swimming lessons. They will take place each morning for the week commencing 19/2/24.
- In tennis we will learn how to hold a racket, how to serve the ball and a variety of strokes to play a continuous rally.
- In dodgeball we will learn the rules of the game, how to throw at a moving target and the art of balance and agility.
